O R D E R

On June 20, 1989, Taylor County Rural Electric Cooperative Corporation filed a Motion for an extension of time until August 1, 1989, in which to file information relating to its proposed financing as requested in the Commission's Order dated June 16, 1989. While the Commission finds the requested extension to be reasonable, the Commission is required by KRS 278.300(2) to dispose of the financing portion of the application within 60 days of its filing unless good cause exists to continue the application. The Commission finds that it cannot dispose of the financing application until it has adequately reviewed the outstanding information.

The Commission, having considered the Motion and being advised, HEREBY ORDERS that the Motion is granted and good cause exists to continue the financing application beyond the 60 day period contained in KRS 278.300(2).

Done at Frankfort, Kentucky, this 29th day of June, 1989.
